++ Valid for broadcast between 1800 and 0600

Headline:
Dry but cloudy overnight, becoming sunny through Tuesday.

This Evening and Tonight:
After some late brightness, turning cloudier from the north overnight; staying dry throughout however, though some fog patches are likely to form under clearer skies in the south before dawn. Chilly in places. Minimum temperature 8 deg C (46 deg F).

Tuesday:
A fine and dry day, with any low cloud and fog soon lifting to leave plenty of hazy sunshine. Feeling warm in the sun, with patchy fair-weather cloud developing later. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
Largely dry with sunny spells on Wednesday before rain arrives overnight. Breezy but largely dry on Thursday, with sunny spells. Dry for most Friday, some patchy rain in the west.
